Executive Summary

The *Local Government Act 1993* (LG Act) requires the Local Government Remuneration Tribunal (the Tribunal) to report to the Minister for Local Government by 1 May each year on its determination of categories of councils and the maximum and minimum amounts of fees to be paid to mayors, councillors, and chairpersons and members of county councils.

Categories

Section 239 of the LG Act requires the Tribunal to determine the categories of councils and mayoral offices at least once every 3 years. A review of categories was last carried out by the Tribunal in 2023.

The Tribunal will next consider the model, criteria for each group, and the allocation of councils in the 2026 review.

The criteria for each category is published in Appendix 1 of the Determination and remains unchanged from 2023.

Two (2) councils have been recategorised from Rural Large to Regional Rural as a result of meeting the criteria at Appendix 1.

Fees

The Tribunal has determined a 3.75 per cent per annum increase in the minimum and maximum fees applicable to each category from 1 July 2024.

Section 1 – Introduction

1. Section 239 of the LG Act requires the Tribunal to determine the categories of councils and mayoral offices at least once every 3 years. The Tribunal last undertook a significant review of the categories and the allocation of councils into each of those categories in 2023.
2. Section 241 of the LG Act provides that the Tribunal determine the maximum and minimum amount of fees to be paid to mayors and councillors of councils, as well as chairpersons and members of county councils for each of the categories determined under section 239.
3. Section 242A(1) of the LG Act requires:

“In making a determination, the Remuneration Tribunal is to give effect to the same policies on increases in remuneration as those that the Industrial Relations Commission is required to give effect to under section 146C of the [Industrial Relations Act 1996](#) when making or varying awards or orders relating to the conditions of employment of public sector employees.”

4. The Industrial Relations Amendment Act 2023, assented on 5 December 2023, repealed section 146C of the *Industrial Relations Act 1996*, resulting in changes to wages policy and removal of the cap on remuneration increases.
5. The Tribunal can also determine that a council can be placed in another existing or new category with a higher range of fees.
6. The Tribunal’s determination takes effect from 1 July each year.

Section 2 – 2023 Determination

7. In 2023, the Tribunal received 18 written submissions.
8. An extensive review of the categories, criteria, and allocation of councils into each of the categories was undertaken by the Tribunal as required by Section 239 of the LG Act.
9. The review resulted in the Tribunal determining the creation of two new categories, being Metropolitan Major and Rural Large.
10. The categories of general purpose councils were determined as follows:

Metropolitan	Non-Metropolitan
Principal CBD	Major Regional City
Major CBD	Major Strategic Area
Metropolitan Major	Regional Strategic Area
Metropolitan Large	Regional Centre
Metropolitan Medium	Regional Rural
Metropolitan Small	Rural Large
	Rural

11. The Tribunal was of the view that improving consistency of criteria in categories was paramount. The Tribunal therefore determined to include the non-resident population criteria in Major Strategic, Regional Strategic, Regional Centre, and Regional Rural categories.
12. A total of 26 councils were recategorised as a result of changes in the 2023 Determination.
13. The Tribunal determined that fees would increase by 3 per cent in the minimum and maximum fees applicable to each category from 1 July 2023.

Section 3 – 2024 Review

2024 Process

14. The Tribunal’s annual review commenced in October when it wrote to all councils inviting submissions regarding fees. The Tribunal outlined that it is only required to review the categories every three years and will next consider the model, the criteria applicable to each category and the allocation of councils in the 2026 review. The invitation noted that it is expected that submissions are endorsed by respective councils.
15. The Tribunal also wrote to the President of Local Government NSW (LGNSW) inviting a submission.
16. The Tribunal received 19 written submissions, of which 18 were from individual councils and 1 submission from LGNSW.
17. The Tribunal notes that 17 of the 18 council submissions were endorsed by their representative councils.
18. The Tribunal acknowledges and thanks all parties for their submissions.

Submissions Received – Request for recategorisation

19. Two council submissions received requested recategorisation, with Paramatta City Council and Lake Macquarie putting forward individual cases for the Tribunal’s consideration.

-
20. Paramatta City Council requested recategorisation from its current classification of Major CBD to Principal CBD. Paramatta City Council's case to be included in Principal CBD category is based on the following:
- Paramatta being critical to the success of the Greater Sydney Region Plan
 - The LGA expecting an estimated 186,000 new residents between 2022 and 2041
 - An increase in the number of government services, corporations, and private enterprises relocating into Paramatta CBD
 - A local economy that generates approximately \$32.88 billion in gross regional product and 33,000 businesses that generated over 202,000 jobs
 - The Council's Local Strategic Planning Statement covers seven priority growth areas and precincts identified by the NSW Government in order to give effect to their Housing strategy
 - Paramatta City Council has a 2023/24 capital works budget of \$613m and it provides a number of significant services within the local government area, including two aquatic centres, redevelopment to key community centres, and funding for local parks, roads, cycleways, and footpaths.
21. The Tribunal last considered the criteria for Principal CBD in the 2023 Annual Determination process. The Tribunal's view at the time was that

the criteria characteristics for Principal CBD category was appropriate, therefore no changes were required.

22. Paramatta City Council does not meet the criteria for Principal CBD. Accordingly, the Tribunal is not persuaded to include Paramatta Council in Principal CBD category.
23. Lake Macquarie City Council requested that it be recategorised from a Regional Strategic Area to a Major Strategic Area. Reasons include:
 - The LGA having a resident population of 216,603, and a non-resident working population of 24,769 (for a total of 241,372)
 - Connection to Greater Sydney via the M1, rail and a regional airport that supports the community
 - 99 towns, villages and nine economic centres across an area of 757 square kilometres
 - An annual economic output of \$26.1 billion (which is approximately 20 per cent of the Hunter economy)
 - 1.3 million tourists per year
 - 14,081 active businesses, 73,233 jobs and a total workforce across the LGA of 102,029
 - Community facilities that include a Regional Gallery – Museum of Art and Culture, one University, two TAFE campuses and a regional centre for health care
 - Operating revenue exceeding \$290 million.

24. As stated in Council's own submission, currently it does not meet the population threshold criteria for Major Strategic Area. Accordingly, the Tribunal is not persuaded to include Lake Macquarie Council in Major Strategic Area category.
25. The council also advocated for the population threshold for Major Strategic Area to be reviewed from its current threshold of 300,000 to 200,000 to restore incremental balance between Major Strategic Area and Regional Strategic Area categories.
26. Lake Macquarie Council provided late supplementary information to support their argument for the population threshold of Regional Strategic Area being adjusted. Council submitted that five precincts in the Lake Macquarie LGA have been identified for inclusion in the New South Wales Government Transport Oriented Development Program, which aims to encourage housing development near transport hubs.
27. The Council argues this increase in housing will lead to population growth in the selected centres, especially those with a large number of identified precincts.
28. Consistent with section 239 and 240 of the LG Act, the Tribunal carefully considered the population threshold for all categories, as part of the 2023 Annual Determination. It was determined at that time, on extensive evidence examined and considered by the Tribunal, that the population threshold for Major Strategic Area was appropriate.
29. The Tribunal is not persuaded at this time to change the population threshold for Major Strategic Area. Should further evidence become available to support a change in the population threshold for this category,

it can be considered by the Tribunal as part of the three yearly review of categories in 2026.

30. The Tribunal will monitor, as data becomes available, the impact of the New South Wales Government Transport Oriented Development Program on population thresholds.
31. One submission received from Wollondilly Shire Council advised that Council resolved to write to the Premier and appropriate Ministers, requesting Wollondilly Shire Council be considered as a regional Council.
32. The Tribunal has previously determined that Wollondilly Shire Council, for the purpose of setting the minimum and maximum fees payable to Councillors and Mayors, be classified as Regional Centre.
33. The Tribunal notes Wollondilly's submission and proposed course of action.

Categories – movement of Councils within the framework

34. The Tribunal reviewed population and data relating to Council operations to determine if the categorisations of Councils was consistent with the current criteria.
35. Population data was sourced from the Australian Bureau of Statistics (ABS), released 26 March 2024 for the period 2022 – 2023 financial year, the most recent data available at the time of writing this determination.

36. Data relating to Council operations was sourced from the Office of Local Government (OLG).
37. These sources provide a consistent, and complete overview of all councils in NSW. These data sources are consistent with those used in previous LGRT determinations.
38. Each Council was also assessed against the relevant criteria at Appendix 1.
39. As a result, it was identified that two Rural Large councils, Hilltops Council and Muswellbrook Shire Council, each had a combined resident and non-residential working population above 20,000 each. This population figure exceeds the population threshold for a Regional Rural council classification.
40. For this reason, the Tribunal has reclassified both Hilltops Council and Muswellbrook Shire Council as Regional Rural councils.

Submissions Received – Remuneration Structure

41. A significant number of submissions commented on the remuneration structure, advocating for major changes to be made, including the need for a full comprehensive review. These issues are addressed below.
42. One submission advocated for a new remuneration structure to be established that:
 - Is benchmarked in a more transparent way

- Recognises workload
 - Encourages participation by a cohort that is more representative of the community
 - Recognises skills and experience that is relevant to the roles.
43. Several submissions argued that the current remuneration structure does not adequately compensate elected Councillors and Mayors for the complex requirements of the role, significant workload, time requirements, responsibilities, and changes in the role over recent years.
44. A number of submissions provided comparison data that included remuneration paid to: Queensland and Victorian local government Councillors and Mayors, Federal, State, and Territory Parliamentary Members, Audit Risk and Improvement Committee members, and average remuneration for chairs/directors of not-for-profit organisations.
45. The basis of providing this data was to support arguments that NSW Councillors and Mayors are paid below these organisations and the work of Councillors and Mayors is being undervalued.
46. Some submissions outlined that low levels of remuneration can have a detrimental impact on the quality and diversity of candidates standing for election.
47. The LG Act is clear that Councillors and Mayors receive an annual fee, not a wage, with section 251 clearly stating that fees paid do not constitute a salary.

-
48. Whilst the Tribunal acknowledges these issues, as previously explained in the 2023 Annual Determination at paragraph 97 they are not currently within the Tribunal's remit.
49. One submission advocated for fees of rural councils to be commensurate with those of regional and metropolitan councils, arguing that the skills and knowledge required for the role is the same regardless of the council location.
50. Others advocated for significant increases to rural and regional fees in order to address low candidate numbers while others asserted that the current remuneration fails to take into account significant stressors facing regional and rural councils.
51. The Act requires that the Tribunal must determine categories at least once every three years and places each council into a category. The determination of categories by the Tribunal is for the purpose of determining the minimum and maximum fees to be paid for councillors and Mayors in each category. When determining categories, the Tribunal is required to take into account matters prescribed in Section 240 of the LG Act:
- *the size of areas;*
 - *the physical terrain of areas;*
 - *the population of areas and the distribution of the population;*
 - *the nature and volume of business dealt with by each council;*
 - *the nature and extent of the development of areas;*

-
- *the diversity of communities served;*
 - *the regional, national and international significance of the council;*
 - *such matters as the Remuneration Tribunal considers relevant to the provision of efficient and effective local government; and*
 - *such other matters as may be prescribed by the regulations.*

52. The Determination of minimum and maximum fees for 2024 is dealt with below at section 4.

53. Two submissions asserted that the current remuneration structure fails to recognise the role, responsibilities, and contribution of the Deputy Mayor position. It was suggested that a distinct independent fee be included for the position of Deputy Mayor.

54. Section 249 (5) of the LG act states:

“A council may pay the deputy mayor (if there is one) a fee determined by the council for such time as the deputy mayor acts in the office of the mayor. The amount of the fee so paid must be deducted from the mayor’s annual fee.”

55. Accordingly, the Tribunal lacks the power to implement changes to the fee structure that would include a distinct independent fee for the position of Deputy Mayor.

56. One argument put forward is that the impact of the current superannuation arrangements has a negative impact on female participation.

-
57. Section 254B of the Act sets out the circumstances with respect to the payment of superannuation for Mayors and Councillors. The payment of superannuation is not automatic or mandatory, pursuant to 254B (4)(a) of the Act a council must pass a resolution prior to making superannuation contribution payments.
 58. Any changes to superannuation contribution payments for Councillors and Mayors to assist in eliminating barriers to participation would require changes to the legislation.

Section 4 – 2024 Fees

Submissions - 2024 Fees

59. The LGNSW submission requested the Tribunal increase fees by at least 10% in order to:
- Reverse the fee erosion which occurred under the NSW Public Sector Wages Policy
 - Mitigate economic pressures and the rising cost of living
 - Ensure that Councillors and Mayors receive fair and reasonable remuneration for the work they perform
 - Address the historic undervaluation of the work performed by elected representatives in local government in New South Wales.
60. LGNSW used economic and wage data to support their argument that included:
- Consumer Price Index
 - Wage Price Index
 - National and State Wage cases
 - Market comparability
61. LGNSW in its meeting with the Tribunal and Assessors asserted that fees paid to Councillors and Mayors have reduced in real terms over recent years, further advocating for an increase of 10% being fair and reasonable.

-
62. In meeting with LGNSW, the question of Government policies (State and Federal) on housing reform was discussed. The Tribunal is mindful of the additional workload associated with policies such as the NSW Government's Transport Oriented Development Program place on affected Councils. Similar considerations arise from the infrastructure requirements related to Renewable Energy Zones.
 63. The role of a Councillor as a member of the governing body of the council is outlined under s232 of the LG Act and the Tribunal has addressed this matter generally in the 2023 Determination at paragraph 97.
 64. Four submissions received from individual councils addressed the issue of fees quantum increase. These submissions sought an increase ranging from 3% to 5.57%.
 65. Other submissions advocated for remuneration to be set at a level to:
 - Reflect the role, commitment required, complexity of the role, workload, and responsibilities required to perform the role successfully
 - Ensure no one is out of pocket for the work they do for council
 - Attract a diverse range of potential candidates.
 66. Five submissions advocated for the Tribunal to change the determination in regard to the remuneration structure. Some submissions suggested setting a fixed mandatory fee for Councillors and Mayors, whilst others argued that individual councils should not determine their own

remuneration, due to potential conflict of interest, instead the decision should be left to State Government or an independent decision maker.

67. It has been suggested that such an approach could:
- Remove potential conflict of interest
 - Facilitate good governance
 - Create equity amongst councils in the same category
 - Assist in fostering good relationships with the community
 - Alleviate public perception that increases are unjust.
68. Currently the Tribunal, consistent with its obligations set out in the LG Act, section 248 and section 249, determines a minimum and maximum remuneration range for Councillors and Mayors. It is then up to individual councils, to fix the annual fee for councillors and Mayors.
69. Furthermore, the tribunal does not have the authority to determine a fixed mandatory fee, section 241 of the LG Act states:

“The Remuneration Tribunal must, not later than 1 May in each year, determine, in each of the categories determined under section 239, the maximum and minimum amounts of fees to be paid during the following year to councillors (other than mayors) and mayors.”

Fee Increase.

70. The Tribunal considered a range of factors in determining the amount to increase minimum and maximum fees payable to Councillors and Mayors. This included economic data, including the Consumer Price Index, Wage Price Index, full-time adult average weekly ordinary time earnings, NSW Public Sector increases, and Local Government State Award increases. It also considered the Base Cost Change model used by IPART in setting the rate peg for 2024-25.
71. On this occasion the Tribunal has determined that a 3.75% per cent increase will apply to the minimum and maximum fees applicable to existing categories.

Conclusion

72. The Tribunal's determination has been made with the assistance of the Assessors, Ms Kylie Yates, Mr Brett Whitworth and Mr Douglas Walther.
73. Determination 1 sets out the allocation of councils into each of the categories as per section 239 of the LG Act.
74. Determination 2 sets out the minimum and maximum fees paid to councillors and mayors and chairpersons of county concills as per section 241 of the LG Act.
75. The Tribunal acknowledges and thanks the secretariat for their excellent research and support in completing the 2024 determination.

Determination No. 2 - Fees for Councillors and Mayors as per section 241 of the LG Act effective from 1 July 2024

The annual fees to be paid in each of the categories to Councillors, Mayors, Members, and Chairpersons of County Councils effective on and from 1 July 2024 as per section 241 of the *Local Government Act 1993* are determined as follows:

Table 4: Fees for General Purpose and County Councils

General Purpose Councils – Metropolitan

Councillor/Member Annual Fee (\$) effective 1 July 2024

Category	Minimum	Maximum
Principal CBD	30,720	45,070
Major CBD	20,500	37,960
Metropolitan Major	20,500	35,890
Metropolitan Large	20,500	33,810
Metropolitan Medium	15,370	28,690
Metropolitan Small	10,220	22,540

Mayor/Chairperson Additional Fee* (\$) effective 1 July 2024

Category	Minimum	Maximum
Principal CBD	188,010	247,390
Major CBD	43,530	122,640
Metropolitan Major	43,530	110,970
Metropolitan Large	43,530	98,510
Metropolitan Medium	32,650	76,190
Metropolitan Small	21,770	49,170

General Purpose Councils - Non-Metropolitan

Councillor/Member Annual Fee (\$) effective 1 July 2024

Category	Minimum	Maximum
Major Regional City	20,500	35,620
Major Strategic Area	20,500	35,620
Regional Strategic Area	20,500	33,810
Regional Centre	15,370	27,050
Regional Rural	10,220	22,540
Rural Large	10,220	18,340
Rural	10,220	13,520

Mayor/Chairperson Additional Fee* (\$) effective 1 July 2024

Category	Minimum	Maximum
Major Regional City	43,530	110,970
Major Strategic Area	43,530	110,970
Regional Strategic Area	43,530	98,510
Regional Centre	31,980	66,800
Regional Rural	21,770	49,200
Rural Large	16,330	39,350
Rural	10,880	29,500

County Councils

Councillor/Member Annual Fee (\$) effective 1 July 2024

Category	Minimum	Maximum
Water	2,030	11,280
Other	2,030	6,730

Mayor/Chairperson Additional Fee* (\$) effective 1 July 2024

Category	Minimum	Maximum
Water	4,360	18,520
Other	4,360	12,300

*This fee must be paid in addition to the fee paid to the Mayor/Chairperson as a Councillor/Member (s.249(2)).

Viv May PSM

Local Government Remuneration Tribunal

Dated 29 April 2024

Appendices

Appendix 1 Criteria that apply to categories

Principal CBD

The Council of the City of Sydney (the City of Sydney) is the principal central business district (CBD) in the Sydney Metropolitan area. The City of Sydney is home to Sydney's primary commercial office district with the largest concentration of businesses and retailers in Sydney. The City of Sydney's sphere of economic influence is the greatest of any local government area in Australia.

The CBD is also host to some of the city's most significant transport infrastructure including Central Station, Circular Quay and International Overseas Passenger Terminal. Sydney is recognised globally with its iconic harbour setting and the City of Sydney is host to the city's historical, cultural and ceremonial precincts. The City of Sydney attracts significant visitor numbers and is home to 60 per cent of metropolitan Sydney's hotels.

The role of Lord Mayor of the City of Sydney has significant prominence reflecting the CBD's importance as home to the country's major business centres and public facilities of state and national importance. The Lord Mayor's responsibilities in developing and maintaining relationships with stakeholders, including other councils, state and federal governments, community and business groups, and the media are considered greater than other mayoral roles in NSW.

Major CBD

The Council of the City of Parramatta (City of Parramatta) is the economic capital of Greater Western Sydney and the geographic and demographic centre of Greater Sydney. Parramatta is the second largest economy in NSW (after Sydney CBD) and the sixth largest in Australia.

As a secondary CBD to metropolitan Sydney the Parramatta local government area is a major provider of business and government services with a significant number of organisations relocating their head offices to Parramatta. Public administration and safety have been a growth sector for Parramatta as the State Government has promoted a policy of moving government agencies westward to support economic development beyond the Sydney CBD.

The City of Parramatta provides a broad range of regional services across the Sydney Metropolitan area with a significant transport hub and hospital and educational facilities. The City of Parramatta is home to the Westmead Health and Medical Research precinct which represents the largest concentration of hospital and health services in Australia, servicing Western Sydney and providing other specialised services for the rest of NSW.

The City of Parramatta is also home to a significant number of cultural and sporting facilities (including Sydney Olympic Park) which draw significant domestic and international visitors to the region.

Metropolitan Major

Councils categorised Metropolitan Major will typically have a minimum residential population of 400,000.

Councils may also be categorised Metropolitan Major if their residential population combined with their non-resident working population exceeds 400,000. To satisfy this criteria the non-resident working population must exceed 50,000.

Other features may include:

- total operating revenue exceeding \$300M per annum
- the provision of significant regional services to greater Sydney including, but not limited to, major education, health, retail, sports, other recreation and cultural facilities
- significant industrial, commercial and residential centres and development corridors
- high population growth.

Councils categorised as Metropolitan Major will have a sphere of economic influence and provide regional services considered to be greater than those of other metropolitan councils.

Metropolitan Large

Councils categorised as Metropolitan Large will typically have a minimum residential population of 200,000.

Councils may also be categorised as Metropolitan Large if their residential population combined with their non-resident working population exceeds 200,000. To satisfy this criteria the non-resident working population must exceed 50,000.

Other features may include:

- total operating revenue exceeding \$200M per annum
- the provision of significant regional services to greater Sydney including, but not limited to, major education, health, retail, sports, other recreation and cultural facilities
- significant industrial, commercial and residential centres and development corridors
- high population growth.

Councils categorised as Metropolitan Large will have a sphere of economic influence and provide regional services considered to be greater than those of other metropolitan councils.

Metropolitan Medium

Councils categorised as Metropolitan Medium will typically have a minimum residential population of 100,000.

Councils may also be categorised as Metropolitan Medium if their residential population combined with their non-resident working population exceeds 100,000. To satisfy this criteria the non-resident working population must exceed 50,000.

Other features may include:

- total operating revenue exceeding \$100M per annum
- services to greater Sydney including, but not limited to, major education, health, retail, sports, other recreation and cultural facilities
- industrial, commercial and residential centres and development corridors
- high population growth.

The sphere of economic influence, the scale of council operations and the extent of regional servicing would be below that of Metropolitan Large councils.

Metropolitan Small

Councils categorised as Metropolitan Small will typically have a residential population less than 100,000.

Other features which distinguish them from other metropolitan councils include:

- total operating revenue less than \$150M per annum.

While these councils may include some of the facilities and characteristics of both Metropolitan Large and Metropolitan Medium councils the overall sphere of economic influence, the scale of council operations and the extent of regional servicing would be below that of Metropolitan Medium councils.

Major Regional City

Newcastle City Council and Wollongong City Councils are categorised as Major Regional City. These councils:

- are metropolitan in nature with major residential, commercial and industrial areas
- typically host government departments, major tertiary education and health facilities and incorporate high density commercial and residential development
- provide a full range of higher order services and activities along with arts, culture, recreation, sporting and entertainment facilities to service the wider community and broader region

-
- have significant transport and freight infrastructure servicing international markets, the capital city and regional areas
 - have significant natural and man-made assets to support diverse economic activity, trade and future investment
 - typically contain ventures which have a broader State and national focus which impact upon the operations of the council.

Major Strategic Area

Councils categorised as Major Strategic Area will have a minimum population of 300,000. To satisfy this criteria the non-resident working population can be included.

Other features may include:

- health services, tertiary education services and major regional airports which service the surrounding and wider regional community
- a full range of high-order services including business, office and retail uses with arts, culture, recreation and entertainment centres
- total operating revenue exceeding \$250M per annum
- significant visitor numbers to established tourism ventures and major events that attract state and national attention
- a proximity to Sydney which generates economic opportunities.

Currently, only Central Coast Council meets the criteria to be categorised as a Major Strategic Area. Its population, predicted population growth, and scale of the Council's operations warrant that it be differentiated from other non-metropolitan councils. Central Coast Council is also a significant contributor to the regional economy associated with proximity to and connections with Sydney and the Hunter Region.

Regional Strategic Area

Councils categorised as Regional Strategic Area are differentiated from councils in the Regional Centre category on the basis of their significant population and will typically have a residential population above 100,000. To satisfy this criteria the non-resident working population can be included.

Other features may include:

- health services, tertiary education services and major regional airports which service the surrounding and wider regional community
- a full range of high-order services including business, office and retail uses with arts, culture, recreation and entertainment centres
- total operating revenue exceeding \$250M per annum
- significant visitor numbers to established tourism ventures and major events that attract state and national attention
- a proximity to Sydney which generates economic opportunities.

Currently, only Lake Macquarie Council meets the criteria to be categorised as a Regional Strategic Area. Its population and overall scale of council operations will be greater than Regional Centre councils.

Regional Centre

Councils categorised as Regional Centre will typically have a minimum residential population of 40,000. To satisfy this criteria the non-resident working population can be included.

Other features may include:

- a large city or town providing a significant proportion of the region's housing and employment
- health services, tertiary education services and major regional airports which service the surrounding and wider regional community
- a full range of high-order services including business, office and retail uses with arts, culture, recreation and entertainment centres
- total operating revenue exceeding \$100M per annum
- the highest rates of population growth in regional NSW
- significant visitor numbers to established tourism ventures and major events that attract state and national attention
- a proximity to Sydney which generates economic opportunities.

Councils in the category of Regional Centre are often considered the geographic centre of the region providing services to their immediate and wider catchment communities.

Regional Rural

Councils categorised as Regional Rural will typically have a minimum residential population of 20,000. To satisfy this criteria the non-resident working population can be included.

Other features may include:

- a large urban population existing alongside a traditional farming sector, and are surrounded by smaller towns and villages
- health services, tertiary education services and regional airports which service a regional community
- a broad range of industries including agricultural, educational, health, professional, government and retail services
- large visitor numbers to established tourism ventures and events.

Councils in the category of Regional Rural provide a degree of regional servicing below that of a Regional Centre.

Rural Large

Councils categorised as Rural Large will have a residential population greater than 10,000, and a councillor to resident ratio of at least 1 to 1200.

Other features may include:

- one or two significant townships combined with a considerable dispersed population spread over a large area and a long distance from a major regional centre
- a limited range of services, facilities and employment opportunities compared to Regional Rural councils
- local economies based on agricultural/resource industries.

Rural

Councils categorised as Rural will typically have a residential population less than 10,000.

County Councils - Water

County councils that provide water and/or sewerage functions with a joint approach in planning and installing large water reticulation and sewerage systems.

County Councils - Other

County councils that administer, control and eradicate declared noxious weeds as a specified Local Control Authority under the Biosecurity Act 2015.
