OUR MISSION

TWO CITIES
ONE COMMUNITY

STRONGER TOGETHER

Our mission is to work together to achieve our community goals now and into the future. We understand that we are stronger together and can achieve more when working in collaboration. We will build on our current partnerships and shared values for the betterment of Albury and Wodonga.
OUR PARTNERSHIP

50 YEARS IN THE MAKING

1973
Federal Government under Gough Whitlam establishes the Albury Wodonga National Growth Centre Project

2001
NSW premier Bob Carr and Victorian premier Steve Bracks announce One City concept on Border

2017
AlburyCity and Wodonga Council sign partnership agreement, pledging to work more closely together

Two One Cities Community
