

NSW Flying Fox Grant Program – Stream 2 Grants Awarded

The NSW Flying Fox Grant Program assisted councils manage flying fox camps, consistent with the NSW Flying Fox Camp Management Policy 2015. Local Government NSW was engaged by the Office of Environment and Heritage to deliver the Program. The Program objectives sought to assist councils:

- Implement emergency flying fox camp management measures where there are significant community impacts (Stream 1)
- Prepare flying fox camp management plans (Stream 2)
- Implement approved actions in flying fox camp management plans (Stream 3)

A total of \$1 million in funding has been made available to NSW councils under the Flying Fox Grants Program.

LGNSW awarded the following local government organisations Stream 2 funding to prepare flying-fox camp management plans
